Golf Course News & Updates

As the warmer weather starts to roll in, the golf course is really beginning to take shape nicely. Our spring fertilizer treatments have already been applied, and the irrigation system is now fully up and running after just a few minor repairs earlier this season. Hole #12 will continue to play as a par 3 for a few more weeks while the turf continues to recover and establish. Another round of fertilizer and overseeding is scheduled for next week, and once the turf fills in a bit more, we'll get the area mowed down and return Hole #12 to its regular par 4 layout.

We have also added new signs at each bunker asking all players to please rake the bunker after playing from it or recovering a ball from the bunker area. New rakes have been placed, so there are now two rakes available at every bunker. Once you have raked the area back to its original condition, please place the rake just inside the bunker.

In addition, broken tee containers have been added to each of the white and red tee areas on the par-3 holes. Please place any broken tees in these containers to help reduce unnecessary wear and tear on our mowers. New sand and seed containers have also been added to the par 3 tee boxes, and we ask that players please fill and smooth any divots taken while playing from these areas. The old sand buckets have now been moved to the driving range tee box. When you are finished practicing, please fill and smooth the area you practiced. Also, be sure to check out the new sign on the range tee that explains the proper way to practice when taking divots, so we can continue to keep the practice area in great condition for everyone.

Snack Shack

The snack shack is now open and will be serving from the menus below. We hope to add some sandwich options to the menus once we move to our full summer hours. In May, we will have the shack open only on league nights. Starting in June, the shack will be open on league nights, weekends as needed, and any tournament events.

Cart Storage & Invoices

If you have a golf cart in one of our storage sheds and have not yet paid your annual fee, please do so this week. Invoices were sent out last month for anyone for whom we have an email address on file. Those invoices are due May 15th to avoid any additional late charges. Your prompt attention to these invoices is

greatly appreciated.

Bench & Tee Box Sign Sponsors

Each one of our tee boxes has a bench and a tee box sign sponsor. Each month, we will be featuring one of our sponsors in the newsletter, on our Facebook page, and on our website. If you are interested in becoming a sponsor, please inquire with Chad for more details. For the month of May, we are happy to partner with Matyas Electric as our bench sign sponsor on Hole #5! Mike Matyas is an Oaks stockholder and has done numerous projects for us in maintaining and updating our electrical systems throughout the property. If you have any commercial, farm, or residential electrical needs, be sure to give Mike a call.

Gift Card Updates

At the Oaks, we offer plastic gift cards for purchase at any dollar amount to the general public. Starting June 1st, we will have a new gift card offer for Stockholders only. Stockholders wishing to purchase gift cards will be given a new Stockholder-Only gift card. These can be reloaded at any time in increments of \$100. For every \$100 purchased, you will receive a \$110 value added to your gift card. Any other discounts and offers will no longer be available after June 1st.
